

Free Lifetime Professional Teeth Whitening

This program is a courtesy and privilege compliments of Dandune Dentistry.; it is extended to patients who have proven themselves as individuals who take their oral hygiene and general dental health seriously. We believe it is extremely important to maintain recommended hygiene care appointments and receive necessary dental treatment to maintain a healthy and beautiful smile. In fact, patients who maintain regular hygiene appointments and receive recommended treatment spend on average less money on dental care than those who only see the dentist when a problem exists. All too often, people who wait until there is a problem have irreversible damage to their teeth and gums. ***Free Lifetime Professional Teeth Whitening*** was developed as a free gift for those patients that are very aware of their oral health care.

How it works

Patient will receive custom made, professional, take home whitening kit for personal use. This privilege does require some rules and restrictions.
